Initiative: 2011 SSTS Abatement Administration

Year: 2011

Start Date:

Initiative Type: Admin/Coordination

Completion Date: 12/20/2011

Description

Environmental Services will assist the landowners in obtaining competitive bids from MN licensed designers. They will also assist them in obtaining sewer permits from the County, which includes a final inspection of the SSTS and a written Certificate of Compliance.

Actual Results

No activity to date--grant workplan finalized in December. No installation yet due to winter season. Landowners have been contacted to secure 2 bids from MN licensed designers. Installation is planned for spring/summer of 2011.

All three sites have been installed and invoices have been paid to the installer.

12/20/11--Were able to complete one additional project with remaining funds and landowner's cost share. Fourth project has been completed and office administration has finalized reporting.
