Bonanza Education Center representatives Joel Stattelmann, Don Sherman and Brent Jacobson were present for a discussion on the possible sharing of a position with the County. With the new Aquatic Invasive Species (AIS) funding from the State and the need for a coordinator at Bonanza, the possibility of sharing a position to best utilize all funding options needs to be discussed. It was decided that Bonanza would proceed with advertising for a part-time position with the possibility of it becoming full-time. The County will meet with Environmental Officer Darren Wilke to further review the feasibility of sharing options.

The remainder of the meeting was spent reviewing the 2016 budget.

Chairman Sandberg adjourned the meeting at 10:35 AM.
